

# Snippet: Reza Berati eyewitnesses Sky News

Link shared on facebook on Apr 17, 2014

Interesting account, implicating Australians.

The best that can happen now is that those involved will get their just deserts.

The problem is, of course, that the oversight of the Minister will never be questioned. Because he will hide behind either "it's a PNG issue" or "it was a G4S issue, but we're paying someone else now."
