

Snippet: Having an Abortion in Launceston is “Like Going to the Dentist”

Link shared on facebook on Apr 25, 2014

This sort of perspective is derided and Michelle O’Byrne’s law continues in force to fail to ensure proper care.

Having an Abortion in Launceston is "Like Going to the Dentist"

faithlikeamushroom.wordpress.com

When it comes to facing an unwanted pregnancy in Australia, choice is apparently what women want. But is that what they get? When a vulnerable young woman books an appointment with her GP or walks ...
