

Leadership Loneliness

Insightful post at the Resurgence:

Almost every lead pastor I know deals significantly with loneliness. I think the struggle is even more difficult for church planters...

Church planters and pastors must make biblical, life-giving community a real priority. Proverbs 18:1 says, "Whoever isolates himself seeks his own desire; he breaks out against all sound judgment." As pastors, we cannot buy the lie that we don't need the community our people need. Our enemy, the Devil, loves it when church planters/pastors isolate themselves. We become easy prey when we try to stand alone. Our wives and children become easy prey when we try to make them stand alone. Build a strong community for your family.
