

Snippet: Affected by Gambling?

Link shared on facebook on May 27, 2014

Pokies are like reverse ATM machines, allowing people (many of whom are vulnerable), to “donate” cash to companies and to government revenues

The amount of cash (\$100's of millions) being pulled out of constructive circulation in Tasmania is astonishing. And that's before you consider the tragedy that is the direct human cost.

It's responsible gambling week by the way...
